**C&I 7 (M) Approval of Revisions to Superintendent’s Merit Goals – 2017-2018 School Year  
- ACTION TO BE TAKEN**

<b>Goal 3: (Quantitative)</b>	The Superintendent will convene and facilitate a minimum of 4 meetings of an administrative panel to review the district's basic skills and I&RS programming. As a result of these meetings, the Superintendent will develop a district handbook detailing the services available for students based on needs and will make it available in an online version on the district website to be completed by June 2018.
<b>Goal 5: (Quantitative)</b>	Achieve NJ recognizes that non-instructional staff (i.e., educational service professionals, directors, supervisors) have varied job descriptions and, unlike that for teachers, the creation of a common evaluation instrument is difficult ( <a href="http://www.state.nj.us/education/AchieveNJ/intro/SpecialistsandOthersOverview.pdf">http://www.state.nj.us/education/AchieveNJ/intro/SpecialistsandOthersOverview.pdf</a> ). Under Achieve NJ: "Districts will continue to have great latitude in evaluating staff members in these roles. Districts can choose to continue existing practice, adopt or adapt instruments from instrument providers, or create their own." By February 2018, the Superintendent will develop evaluation instruments specific to the roles of the District's providers for Directors, Guidance Counselors, Child Study Team Members, and Nurses.

**BO 1 (M) Discussion of Approval for the Transportation Contract with Englewood Public School District in the amount of \$4,000.00 for the 2017-2018 school year pursuant to School Choice Law.**

**BO 2 (M) Discussion of Approval of Cost Reimbursement for Food Service Management Services**

## **Resolution**

### **Cost Reimbursement for Food Service Management Services works best for WOOD-RIDGE SCHOOL DISTRICT**

**Whereas**, the Department of Agriculture sent a notice on June 14, 2017 to New Jersey school districts participating in the National School Lunch program announcing a significant change in the procurement protocol for the contracting of food service management companies that operate breakfast and lunch programs for New Jersey public schools, and

**Whereas**, this new procurement protocol would change the fundamental basis for awarding food service management contracts from a “Cost Reimbursement Basis” to a “Fixed Price Basis” for contract awards, and

**Whereas**, the Wood-Ridge Board of Education has engaged staff and the community year after year to provide a local food service program that addresses and meets the needs of our children, and

**Whereas**, the Wood-Ridge Board of Education credits the current “Cost Reimbursement” procurement method as the reason why the local school district can design a food service program that has the flexibility of meeting the needs of its children, and

**Whereas**, the Wood-Ridge Board of Education declares that the “Fixed Price” procurement system would dramatically reduce the school district’s ability to change or alter its food service operations without the need to rebid for food service management services, and

**Whereas**, the Wood-Ridge Board of Education further declares that the “Fixed Price” procurement method would impact the quality of the meals served to its children and therefore impact the participation of children in our breakfast and lunch program, and

**Whereas**, the Wood-Ridge Board of Education further declares that the “Fixed Price” procurement method may limit the number of competitive proposals received by boards of education, and

**Whereas**, the Wood-Ridge Board of Education rejects the Department of Agriculture’s underlying reasons for making this change without giving NJ School Districts the opportunity to address their concerns in an attempt to keep this procurement method in place, and

**Whereas**, the Wood-Ridge Board of Education prefers an optional procurement system for securing Food Service Management Companies whereby the district could choose either Cost Reimbursement” or “Fixed Price” as the basis for contract awards.

**Now Therefore be it Resolved**, that the Wood-Ridge Board of Education hereby requests the Department of Agriculture to reconsider its plans to move the basis of awarding Food Service Management contracts to a “Fixed Price” basis and allow the option of continuing to use a “Cost Reimbursement procurement model; or in the alternative , a “Fixed Price” procurement method, and

**Be It Further Resolved**, that copies of this resolution shall be forward to:

**BO 3 (M) Discussion of Approval of Annual Uniform State Memorandum of Agreement 2017-2018**

The Board of Education approves the Annual Uniform State Memorandum of Agreement between the Wood-Ridge Board of Education and the Wood-Ridge Police Department for the 2017-2018 school year.

**BO 4 (M) Approval of Renewal Agreement with Pitney Bowes for the Wood-Ridge High School**

Renewal agreement with Pitney Bowes to lease equipment to the Wood-Ridge High School for a term of 60 months. The monthly rate will be \$194.70 per month with quarterly billings of \$584.10. A savings of \$99.60 annually.

**BO 5 (M) Approval of Renewal Agreement with Pitney Bowes for the Wood-Ridge Board of Education Offices**

Renewal agreement with Pitney Bowes to lease equipment to the Wood-Ridge Board of Education offices for a term of 60 months. The monthly rate will be \$194.70 per month with quarterly billings of \$584.10. A savings of \$99.60 annually.

**ACTION TO BE TAKEN ON THE FOLLOWING:**

**BO 6 (M) Approval of Submission of Comprehensive Maintenance Plan – *ACTION TO BE TAKEN***

**Whereas**, the Department of Education requires New Jersey School Districts to submit three-year maintenance plans documenting “required” maintenance activities for each of its public school facilities, and

**Whereas**, the required maintenance activities as listed in the attached document for the various school facilities of the Wood-Ridge School District are consistent with these requirements, and

**Whereas**, all past and planned activities are reasonable to keep school facilities open and safe for use or in their original condition and to keep their system warranties valid,

**Now Therefore Be It Resolved**, that the Wood-Ridge School District hereby authorizes the school business administrator to submit the attached Comprehensive Maintenance Plan for Wood-Ridge School District in compliance with Department of Education requirements
