Formerly, the Superintendent only attended meetings quarterly or on an as needed basis. Moving forward, these weekly sessions will be dedicated to improving protocols and procedures, enhancing student transitions, and elevating the level of communication between families and the school. As a result of these collaborative meetings, 3 new practices, designed to upgrade the functioning of the CST will be created and implemented before June 2018.

Goal 5: (Quantitative)	Achieve NJ neglects to include directors as well as CST and other professional support personnel in the new evaluation process.
