Dear Parent or Guardian:

The Wood-Ridge Public School district receives Title III funding from the federal government to help English learners to speak, read, and write in English and to achieve in reading and mathematics. School districts and other agencies that receive Title III funds are reviewed each year, as required under the No Child Left Behind (NCLB) ct of 2001, to see if they meet the two Annual Measureable Achievement Objectives (AMAOs) for their English learners:

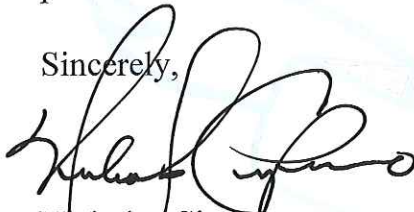

- Progress in learning English
- Progress in the percentage of students who become proficient in English

For the 2014-2015 school year, The Wood-Ridge Public School District did not meet one or more of these targets:

***AMAO 1 (progress) relates to annual increases in the number or percentage of children making progress in learning English. Progress is defined as a specific increase in the scale score points on the ACCESS for ELLs test.***

If you would like more information about how your child is performing on these targets, please contact your child's teacher or school. Please contact Mr. Anthony Albro, Title III coordinator, ([talbro@wood-ridgeschools.org](mailto:talbro@wood-ridgeschools.org), 201-933-6777, extension 5631) for more information on the educational program to help English learners become English proficient and meet academic goals.

Sincerely,

Nicholas Cipriano  
Superintendent of Schools
