Re: Food Program 2019-2020 School Year

As we are approaching the new school year, I would like to remind everyone of the following concerns regarding the food program:

1. If an application was submitted last school year and it was determined that your child/children were eligible for free or reduced lunch, this status will remain the same for the first **30 operating school days** that meals are served. On the 31st day, current status will automatically change to full pay.
2. If you wish to apply for the free or reduced lunch for the 2019-2020 school year, you must submit the **2019-2020 Application for Free and Reduced Price School Meals**, which is attached to this memo.
3. The Wood-Ridge School District's **Unpaid Meal Policy** is also attached which states the school's policy on how any unpaid lunches will be handled during the school year.

Any questions regarding how to fill out the lunch application or your child/children's current status, please feel free to contact me at 201-933-6777 x 5639.

Wishing our students a very successful school year.
