

Dear Parents, Guardians and Teachers:

The Wood-Ridge PTA would like to welcome you to the 2021-2022 school year. The PTA is looking forward to a fun and exciting school year for our children. We are a Pre-K through 12th grade organization that works closely with the school administration to provide cultural enrichment programs, social events, senior scholarships, and support to our students and teachers. Some events you and your children can look forward to are the Ragamuffin Parade, The Book Fair, Santa Breakfast, Pocketbook Bingo, and many more events.

We encourage all parents, guardians, family members, teachers and administrators to join the PTA. The membership fee is \$6 per person. Being a member of the PTA is a valuable asset and allows for many volunteer opportunities. This year we will continue to use Membership Hub as we will not be sending forms home. With a simple click you can be a valuable member of the PTA! Registration closes November 12, 2021.
